OUR MISSION

Speak up for people who cannot speak for themselves.
Protect the rights of all who are helpless.
-Proverbs 31:8

No Whispers was founded with one goal in mind. To bring a voice to children in Texas who have been forever silenced due to domestic violence and abuse. Our mission to fulfill that promise is by raising funds for the funerals of these children.

We will speak out against the abuse we unfortunately witness. We will use our voices to share their story and continue their fight by raising awareness of the detrimental and irreversible effects of domestic violence through out Texas Funeral Homes.

WHO ARE WE?

We are dedicated funeral professionals and individuals who appreciate the ministry within our work. With our experience in the funeral industry we understand that providing funds for funerals in the face of tragedy can become a burden. We want to offer a helping hand in these times of difficulty. We have been called to minister and fight along side these children to give them a voice that was taken from them. Let us help share their stories sympathetically & with dignity.

Taylor Nowell, Founder
